About Vodien:

We give the best value. Vodien Internet Solutions is a leading web hosting service provider in Asia, and offers premier access speeds to visitors in the region. We have clients from Singapore, Malaysia, Indonesia and Vietnam.

Based in Singapore, we specialise in providing quality and value-added services to small to medium-sized enterprises (SMEs), and have been successfully doing so since 2002.

We help our clients save money. We develop and maintain strong web and email infrastructures for our clients so that they can don't need to make costly investments in hardware, software and IT.
